KIJANG ECONOKIDS COMPETITION 2024

KIJANGECONOMICSCOMPETITION

MALYSIANEDUCOMPETITION

WWW.KIJANG.MY

INTRODUCTION

Kijang Econokids Competition is a national competition for primary school students related to financial mathematics syllabus. It aims to challenge students' knowledge through basic financial literacy, mathematics, basic economics and basic business management.

Kijang Econokids intends to spark a competitive nature among students by providing them with the opportunity to polish and develop in financial mathematics. Kijang Econokids's questions have a unique way of highlighting economic and financial literacy concepts by relating it to the surrounding events either local or global over time.

Kijang Econokids consists of multiple choice questions. It requires the student to apply their economic and financial knowledge to find solutions on capital resources. The questions also require students to use of financial instruments and financial market analysis. The competition will take place on 26th June 2024.
