Dear Sir/Madam,

### INVITATION TO PARTICIPATE IN KIJANG ECONOKIDS COMPETITION 2024

The above matter refers.

2. Kijang Econokids Competition is a national competition for primary school students related to financial mathematics syllabus which aims to challenge students' knowledge through basic financial literacy, mathematics, basic economics and basic business management.

3. Kijang Econokids intends to spark a competitive nature among students by providing them with the opportunity to polish and develop in financial mathematics. Kijang Econokids's questions have a unique way of highlighting basic economics and basic financial literacy concepts by relating it to the surrounding events either local or global over time.

4. Kijang Econokids consists of multiple choice questions (tests), requiring an application of economic and financial knowledge to find solutions on capital resources, use of financial instruments and financial market analysis.
